PRYOR

CE Mark Stamps

Highly durable method of meeting inspection requirements

- Declare your product as compliant with product supply law and product safety
- Sharp faced engraving style to produce clear positive impressions
- 6 Character sizes available

CE Mark Metal Hand Stamps are portable, easy to use and suitable for component marking in all industrial environments. Simply strike the stamp with a hammer to identify your component as complying with European Union product supply law.

- Enable your product to move freely throughout the EU, widening your potential market
- Manufactured in UK with high-quality tool steel using a superior cold-forming process
- Specialist heat treated to ensure user safety and product longevity.
